WILDLIFE WARRIORS

The world-famous Crocoseum serves up some serious wildlife action daily at midday! Zoo keepers and their amazing animals take you on a slithering, swooping, jaw-snapping adventure of epic proportions, educating guests on the world's conservation issues and how we can all save wildlife. A must-see show!

AFRICA

Don't miss a journey to the African Savannah where you can see giraffe, zebra, and rhino roaming free as well as a cheeky family of meerkats enjoying stunning views of the open plains. You may even be lucky to catch a glimpse of our cheetah taking a walk with their keepers in the surrounding plantations. Take the safari shuttle or a short walk for a truly unique experience.

TIGER TEMPLE

Home to majestic Sumatran and Bengal tigers, get up-close and watch our expert keepers interacting with these magnificent big cats. You might even see our tigers swimming in the only underwater viewing area in the southern hemisphere whilst you learn about their conservation needs in the wild.
